Praying for the Pease of Jerusalem”

David Wells, PAOC Gen. Sup., writes... “*Recently I invited **Jeff Futers** of **First Century Foundations** to meet with key leaders responsible for our theological education nationally because God’s ongoing covenant with the Jewish people, His purposes for the land of Israel and the call to pray for the Jewish people and “the land” is an important message that Jeff and First Century Foundations present. Too often these principles are misunderstood or underemphasized among Christian leaders and churches today. I am grateful Jeff has authored “**Praying for the Peace of Jerusalem**” containing this teaching and I recommend it to you for growth in both knowledge and prayerful action.*”
