May is PAONL Offerama Month

PAONL goal - **\$450,000** – Deadline: **Today** - May 27.
Please mark your envelope "**Offerama**".

"... PAONL, sensing the need for an increase in mission dollars, initiated Offerama in 1990. Through the faithfulness and generosity of our people, we have been able to impact the Kingdom of God, both at home and abroad. Pastor Scott Hunter, who introduced Offerama, said, "Offerama is not to be considered merely a fundraising challenge; rather it should be viewed as the single largest yearly thrust to finance the fellowship's commitments to home and foreign missions. The end result of the effort was to reach unsaved people through a variety of methods." As God's people, it is our duty to meet the needs of people when it is in our means to do so. We are called to spread the gospel. Let's continue to give sacrificially and generously so that more people are introduced to the importance of salvation through Jesus Christ. May God multiply our efforts as we support Offerama 2018. " (Source: *Good Tidings / May-June 2014*)
